

4th Congress on Participation Research – 2026 in Siegen

Brief Information for Poster Contributors

Dear contributors,

we are delighted that your contributions allow us to offer a varied and attractive congress programme.

Preparations for the congress are now entering the "hot phase." We would like to provide the following information:

The poster session will take place on **Thursday, 10.09.2026, between 15:30 and 16:15**. In this time slot, congress participants will have the opportunity to talk with you about your research.

The posters can be displayed on both congress days (10 & 11.09.2026).

Please hand in your poster (in A0 format) to the colleagues at the congress office/info point. The colleagues will hang up the poster. It will likely be fixed with magnets.
Before you leave, you are of course welcome to take the poster down yourself.

If you have not yet registered for the congress, please be sure to do so as soon as possible! The congress is fully booked. However, registration via the waiting list is still possible.

Thank you very much for your contribution!

For the whole ZPE organising team,
Lena Bertelmann, Heike Krütt & Martin Reichstein
